12 FIGS

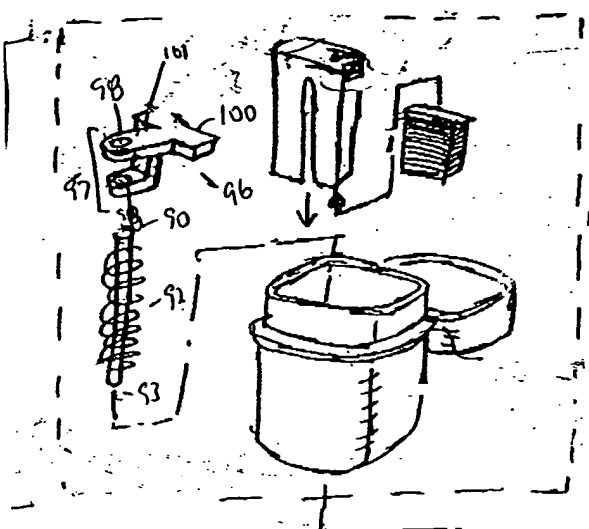

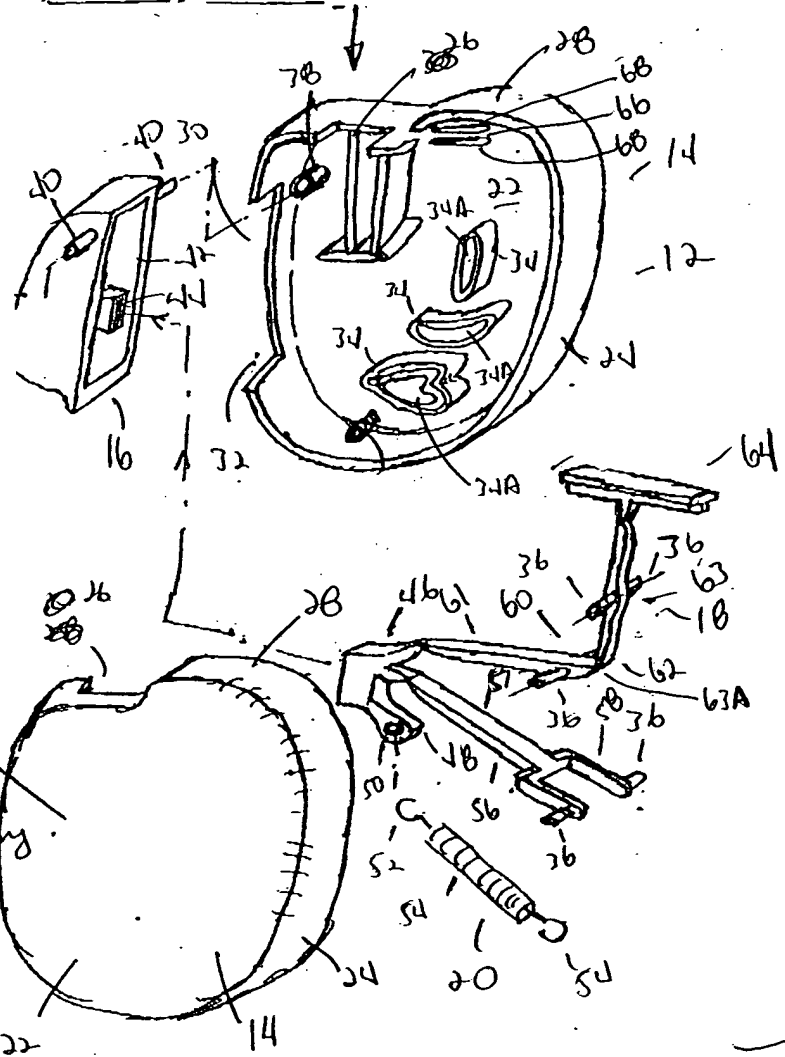

Figure 1

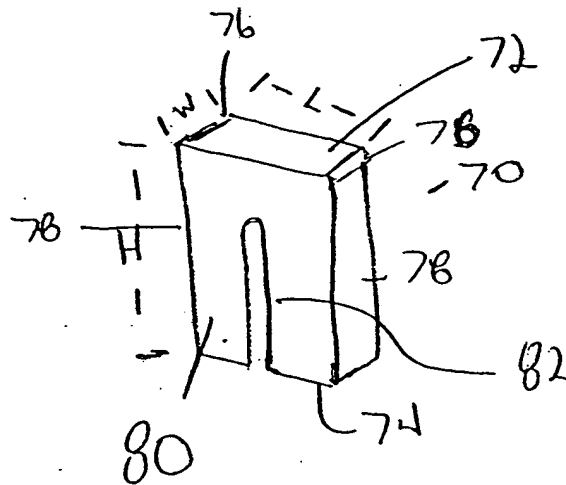

0954491.061301

This diagram shows the exploded perspective view of the container assembly. It includes the main container body (12) with its lid (14) and a separate component (16). The lid (14) is shown with its internal structure, including a central opening (22) and a surrounding rim (24). The main container body (12) has a top flange (26) and a bottom flange (28). A separate component (16) is shown with a central opening (40) and a surrounding rim (42). The exploded view shows the relative positions of these components, with arrows indicating the direction of assembly.
